

Member Benefit!

OBERHASLI SEMEN BANK

Through generous donations, the Oberhasli Goat Club now offers a semen bank for its members in good standing. To be eligible, a member must have paid the current year's dues. The "withdrawal" limits start over each calendar year (Jan 1 – Dec 31), and there will be no roll over from previous years. Semen is available on a first request; first filled basis – no holding semen.

In addition to the FREE 10 Straws (limited to available semen) that each member is eligible to receive, members may buy additional semen for a flat rate of \$5 per straw. All semen is limited to the available inventory.

Transportation is the responsibility of the receiver, delivery to destinations on my itinerary is free. Free use of my shipper is also available for a \$25 LN2 charging fee – we have UPS and FedEx pick up from zip code 32043. If you use my shipper, you may ship it back via UPS or FedEx ground. If you send a shipper via ground and it needs to be charged before sending it back with your semen, the \$25 LN2 charge fee applies.

The semen inventory will change on a quarterly basis, as new semen arrives. I will try to keep a current list posted to the website, and include an inventory with each newsletter. You may request a current list via e-mail at any time.

All semen is available on a "as is – where is" agreement. I make no guarantees as to the quality or viability of the semen. I am confident that it has been maintained in a proper manner before coming into my possession. For the duration that the semen is in my care, I will do my utmost to store and handle it in a proper manner. This semen is stored in the same tanks that I store my personal 'priceless' semen in, and I plan to use some of the same semen for my own breeding program.

All semen offered has been verified to have proper paperwork filed with ADGA.
